All students will be required to have a **CASIO FX82AU Scientific Calculator**. This calculator has been designated as the calculator the school will use in all classes and year levels, as this will enable ease of instruction. On enrolment in Year 7 each student will receive a calculator for their own use.

The **CASIO FX82AU Scientific Calculator** is the preferred calculator for Longreach State High school. This calculator was introduced in 2021 and students in Years 9 to 12 are encouraged to update their current calculator to this model which will be used by teachers in the classroom.

Please Note: A Longreach State High School Student Homework Diary is provided to each student on Day 1 of school. If the diary is lost or damaged it is the responsibility of the student to purchase a replacement through the school office (\$23.00)
